

REMARKS

Entry of this Amendment is respectfully requested. This Amendment is the same as the Amendment Under 37 C.F.R. § 1.312 previously filed on December 4, 2009, except that the term "he" at the beginning of lines 7 and 14 of Claim 1 has been changed to --the-- to correct an inadvertent typographical error.

This Amendment is submitted to address duplicative wording in independent Claim 23, a typographical error in Claim 28 and inadvertently not-deleted reference numerals in Claims 21 and 27.

With respect to Claim 23, the claim recites "providing a carrier unit comprising at least one separating member and at least one package carrying member;" and also recites "rotating a carrier unit, comprising at least one separating member and at least one package carrying member, between ..." Quite clearly, these two recitations are duplicative and unnecessary. Thus, by way of this Amendment, the "providing a carrier unit ..." clause is deleted.

In Claims 21 and 27, the reference numeral in parenthesis is deleted. In Claim 28, the duplicative "is" is deleted.

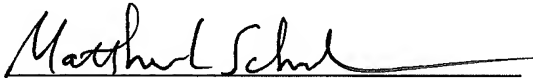

Entry of this Amendment is respectfully requested. Also, the Examiner is kindly asked to consider the information contained in the Information Disclosure Statement filed on January 15, 2010.

Should any questions arise concerning this application, the undersigned respectfully requests that he be contacted at the number indicated below.

Respectfully submitted,
